

SEKO Logistics **Cookie Statement**

This Cookie Statement explains how SEKO Logistics and its affiliates and subsidiaries ("SEKO", "we", "us", and "ours") use cookies and similar technologies to recognize you when you visit our websites at www.sekologistics.com ("Website"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

What are cookies?:

Cookies are small data files which are stored on a user's computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information. They are designed to hold a modest amount of data specific to a particular client and website, and can be accessed either by the web server or the client computer. This allows the server to deliver a page tailored to a particular user, or the page itself can contain some script which is aware of the data in the cookie and is able to carry information from one visit to the website (or related site) to the next.

Why do we use cookies?

We use cookies for several reasons. For example, we use cookies in order to create an efficient yet user-friendly website in order to provide services and requests based upon need. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Websites.

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

How often will you update this Cookie Statement?

We may update this Cookie Statement from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Statement regularly to stay informed about our use of cookies and related technologies.

The date at the bottom of this Cookie Statement indicates when it was last updated.
